

Grading sheet

- 1) Create a homepage that will serve as an introduction to the site. Create a nav bar with links to the other core pages of the site.
 - a) Create a link for a “food” tab.
 - b) Create a link for a “community” tab.
 - c) Create a link for a “history” tab.
 - d) Create a tab for a “education” tab

These pages will serve as the primary sectors of the website's content.

- 1) For the “food” page, there will be three links to separate pages detailing different aspects of the food in Rochester.
 - a) Garbage Plate
 - b) Boss Sauce
 - c) Wegmans
- 2) For the “community” page, there will be two links to separate pages detailing different aspects of the community in Rochester
 - a) Ice rinks
 - b) The R-centers
- 3) For the “history” page, there will be three links to separate pages detailing the unique history of Rochester and its notable historical figures.
 - a) Frederick Douglass
 - b) Susan b. Anthony
 - c) Kodak
- 4) For the “education” page, there will be two links to separate pages detailing the unique educational opportunities that Rochester offers.
 - a) Colleges
 - b) The Rochester City School District(RCSD)

There will also be a footer which will include a “references” page which showcases links to the sites each image was acquired from.

The site also features a navigation bar with dropdown menus, making it incredibly easy to navigate throughout the site wherever you are on it.

Furthermore, the stylesheet styles each aspect of the site, not only making it pleasant to look at, but also easier to navigate.
